A Note of Thanks

Praise the Lord for He is the Great Physician and Healer! Thank you so very much for your prayers for my mom (Alice Martin). As you know, she came through surgery quite well and I know that it was because of our Lord God Almighty answering the prayers of His dear people! Praise the Lord! Thank you so very much for your phone calls as they have been very encouraging to my mom!

Love in Christ, Mary Janachowski

Health & Medical Requests

NEW/UPDATED

Shellea Washington (Alexanders' foster daughter) - She was admitted to the hospital Sunday due to a virus she contracted. It has since entered her blood stream. Due to a recent transplant, there have been some difficulties. Please pray for wisdom as the doctors review the blood tests tomorrow afternoon. They will need to determine the quantity of the virus in her blood in order to treat it and adjust her medications appropriately. (2/24)

Jim Huizinga - My wife and I, together with our entire family, are rejoicing in the Lord for His goodness, mercy, and wonderful working in each of our lives. We are thankful once again to you, our church family for your continued prayer, support, help, cards, gifts, encouragement, phone calls, and burden-bearing on our behalf over this past year. The Lord has answered your prayers and the oncologist at Loyola has stated that I am now officially in remission from the AML cancer, I just went through the last consolidation round of chemo two weeks ago. It has left me weakened for the past two weeks since the chemo finished, and my immune system blood counts bottomed out on Monday of this past week. I will go into the hospital again tomorrow, and Lord willing, the numbers should be going up with hopefully no more transfusions. This should mean that in the next two weeks, my immune system will be back to normal. We will see what the Lord has in store in a more normal context of life. Thank you for your continued prayers. I know there is much happening at church with others going through various physical problems. We are praying for them together with you. We're trusting the Lord that I will be able to come back to church in March. Thank you. (2/24)

Drew & Kristen DeLozier - Their baby boy was born on Monday. He was ten weeks early and weighed 3lbs., 11oz. In addition to underdeveloped lungs, he has a broken collarbone. He is in the Milwaukee Children's Hospital. (2/24)

Alice Martin - Surgery went very well, no cancer was found, and the doctors are happy with the progress she has made. See the front of the bulletin for a thank you note from her daughter. (2/24)

Cindy Zajac - She is undergoing chemo treatments. Pray for strength. (2/24)

Sharon Loller - She is recovering from her surgery and getting stronger each day. A follow-up meeting with the doctors is scheduled for this week to determine further treatment. Please continue to pray for healing and for wisdom for those involved. (2/24)

Irene Christopherson (Darene Campbell's mom) - Physical issues. (2/24)

Missions Requests

Ray & Jennifer Teachout (Canada)

Ray has a meeting with Child Protection next Monday morning, February 29th, to explain their convictions and practices regarding corporal punishment. Please pray for them in the following areas:

- Ray to have courage and wisdom in meeting with the CPS.
- Protection, comfort, strength, and wisdom for Jennifer and the children.
- Grace and liberty to move on to a new ministry as a family if it's God's will.
- That God would bless, protect, and provide leadership for the church and believers they leave behind in Quebec.

Oriel & Heather O'Gorman (Ireland)

They recently began incorporating an adult Bible study before the Sunday morning services and challenged the believers to get more involved in practical aspects of church life. Pray for a good adjustment to these changes and growth in the Arklow Baptist Church. Here are some prayer requests:

- Salvation of: Mike, Seamus, P.J., Chris & Emma, and Johnny & Helen.
- Health for their family, especially Heather as she had some difficulties since summer due to Adrenal Fatigue.
