SUNDAY ADULT BIBLE STUDIES

Choosing Gratitude (Ladies) (Becky Schlagel, Teacher) Room 201
Our lives as Christian women should overflow with gratitude because of what Christ has done for us. Yet, all too often, we protest and complain. Gratitude is not incidental, nor is it optional; it is a command. This study will look at what God says about gratitude and teach us the pathway towards choosing a life of worship rather than whining. Gratitude is a key to the abundant, joyful living the Lord said He came to give His children. All ladies are encouraged to join us for this study.

From Here to Eternity (Jayson Deets, Teacher) Auditorium
Today's headlines seem to be torn right from scripture. In this study we will look at the scriptures and the guideposts that it gives us for what comes next. The good news is that no matter how dark today is, the future of the believer remains eternally bright.

The Minor Prophets (John Ramler, Teacher) Room 209
Our study will include a full treatment of the historical and cultural settings of the 12 prophets and their writings.

Discipling and Being Discipled! (Joel Dedic, Teacher) MPR
This class may be for you if you've never been discipled, or if you want to be encouraged to disciple others. It may also be for you if your Christian life has become somewhat stagnant, routine, and lifeless, and you want to be spurred into further growth. There will be a time of Bible study on topics pertinent to discipling and growing in Christ and then a time of breaking into smaller groups (men's/women's) for challenge, discussion, and encouragement!

Thank You!

Dear Marquette Family, Thank you all for your thoughtful encouragement, well wishes, and prayers during the planning for my father's memorial and adjusting to missing his presence on this earth. We've been comforted with knowing he's free of pain and enjoying the presence of the Lord! The flowers sent to the memorial were lovely and the meal prepared by the ladies was so appreciated by my family. Thank you so much and may our Lord bless you abundantly!

Love, Joan and Bobby Taruc
