## SUNDAY ADULT BIBLE STUDIES

**Women of the Bible (Various Ladies)** ..... Room 201  
All post-high school ladies are encouraged to join us as we embark on a study of a number of women found in the Bible narrative in the Old and New Testaments. God tells us to receive instruction and admonition as we read and study the lives of those well-known and lesser-known characters found in Scripture. Together we will discover how and how not to live, how to please God, and how to experience the blessings of being a wise and devoted woman of faith.

**Seeking God and Finding Grace (Jayson Deets, Teacher)** ..... Auditorium  
When Jehovah sends Moses with a message of deliverance and hope to His people, He calls himself "I AM." By this identifier they would learn both that He was all they needed and how much they needed Him. In our study, we will be looking at the Trinity and how, through seeking God, we can find grace for every need.

**The Minor Prophets (John Ramler, Teacher)** ..... Room 209  
Our study will include a full treatment of the historical and cultural settings of the 12 prophets and their writings.
