General Requests and Praises

NEW/UPDATED

Linda Callison - Thank you for praying for Linda's dad, David Crymble. His kidneys, lungs, and blood pressure are doing much better. The doctors removed his breathing tube today. Pray that he would be able to breathe well on his own and will not require a trache. (3/15)

Greg Campbell - Please pray for Greg's cousin, Christine. Her husband died on Friday due to complications from a motorcycle accident. Christine has two young sons. (3/15)

Clancy Family - Thank you all for your prayers for the funeral service today. Please continue to pray for the family and all who heard the gospel in the service. (3/15)

Kamibayashiyama Family - Praise the Lord for safety as everyone traveled. Please continue to pray for God's comfort for the family. (3/15)

Nancy Lagger - Pray for Nancy's sister, Deb Graves, who had a biopsy today. Also pray for Nancy's son, Steve, who is currently in the hospital with complications from an appendectomy. (3/15)

Sharon Loller - Please continue to pray for Sharon, Melanie Forrest's sister, that her insurance would approve her second chemo drug before the end of the week. (3/15)

Christine Shock - After a round of tests, Chrissy is thankful that the benign tumors on her kidney are still within the safe zone. However, her liver enzymes continue to be up, possibly indicating liver damage. Please pray that the liver specialist would be able to determine a cause and begin helpful treatment. (3/8)

John Wulfing - Continue to pray for comfort for the family after John's father passed away. John is in Georgia with his mother and is not sure when he will return. (3/8)

Darene Campbell - Pray for Darene's mom, Irene Christopherson, who has a tumor in her throat. Pray that her pain would be manageable, that she would be able to sleep at night, and that her treatment would be successful. (3/1)

Jim Huizinga - Pray for strength and healing as he recovers from this round of chemo. (3/1)

Carolyn Scerra - Pray for Carolyn, Kathy Clancy's niece. Recent tests show that her chemo is not working. Pray that the Lord would settle her heart and lead her in the next treatment option. (3/1)

Special Request

Phil Kamibayashiyama - Pray for Phil as he overcomes jetlag with just three weeks left in the school year. (3/15)

Gedeon Olah - Praise the Lord that a lady named Eszter was saved on Sunday. (3/15)

Rodney Fitzsimmons - Rodney would appreciate our prayers as he travels in the Philippines for two weeks with 17 speaking opportunities including the graduation exercises for Baptist College of Asia-Pacific. He also asks prayer for the college president who lost his mother earlier in the week. (3/8)

Sinclair Family (Cameroon, West Africa) - The Sinclairs ask us to pray that God would intervene and bring the current political unrest to a satisfactory conclusion. While they feel safe in the Lord's hands, they do not see any progress being made toward government functions (such as schools and legal offices) reopening or the internet being turned back on for their region. (3/8)

Camp Joy - John Moore and others are meeting with Camp Joy's neighbors as well as town and county officials to ensure no opposition before the final decision from the DNR (most likely in early April). Pray that John's meetings would promote good will and that the DNR would approve the land sale. (2/8)
